at the 5<sup>th</sup> Meeting of Attorneys/Prosecutors General  
of the ECO Member States  
Duashanbe, 16 May 2024**

**Your Excellencies,  
Distinguished Guests, Ladies and Gentlemen,**

As we conclude the 5<sup>th</sup> Meeting of the Attorneys/Prosecutors General of the ECO Member States, I would like to extend my sincere gratitude to all of you for your active participation and valuable contributions throughout the deliberations.

We were honored to have begun our meeting with a gracious welcome from His Excellency Emomali Rahmon, the President of the Republic of Tajikistan. The opportunity to meet with the President underscored the importance that the Government of Tajikistan places on strengthening regional cooperation and the rule of law within the ECO framework.

Over the course of this meeting, we have had the opportunity to engage in fruitful discussions on various issues of mutual interest and concern. The statements and reports presented by the heads of delegations have provided us with a comprehensive understanding of the current challenges and best practices in the field of law enforcement and judicial cooperation within the ECO region.

The adoption of the Plan of Interaction among the Attorneys/Prosecutors General Offices of the ECO Member States is a significant milestone, as it will serve as a roadmap for strengthening our collaborative efforts in addressing transnational crimes, enhancing information-sharing, and harmonizing our legal frameworks.

We are also grateful to the Prosecutor General of the Republic of Tajikistan for the warm hospitality and the excellent arrangements made for this meeting. The cultural activities and sightseeing tours have allowed us to further appreciate the rich heritage and vibrant culture of this beautiful country.

As we look towards the future, I am confident that the spirit of cooperation and the shared commitment to upholding the rule of law that have been demonstrated during this meeting will continue to guide our path forward.

Thank you all for your participation and contribution.
