AND FORESTRY

Main Goal of ECO-RCC

- ECO member states acquire necessary advice, guidance and information for improving their food security strategies, policies and programmes.
- ECO-RCC will support the member states to mobilize financial resources in priority areas, based on the Regional Programme for Food Security. ECO-RCC will develop a high-quality and evidence-based Programme, and be actively on quest for potential donors.

ECO-RCC's contribution to member countries

- **Regional Food Security Program:** A tool to mobilize financial resources to priority areas.
- **Access to funding opportunities:** IFIs and donors will be contacted for funding RFSP
- **Evidence-base:** 'Overview of Food Security' and website will provide key evidence and analysis useful for regional collaboration in ECO
- **Multi-lingual support:** English, Russian and Turkish
