

## **27<sup>th</sup> Meeting of the ECO Council of Ministers (COM)**

*October 10, 2023, Shusha, Republic of Azerbaijan*

### **Shusha Declaration**

#### **Green Transition and Interconnectivity in the ECO Region**

We, the Ministers of Foreign Affairs/Heads of Delegations of the ECO Member States, have met at the 27<sup>th</sup> Meeting of the ECO Council of Ministers (COM) on October 10, 2023 in Shusha under the Chairmanship of H.E. Mr. Jeyhun Bayramov, Minister of Foreign Affairs of the Republic of Azerbaijan, and while:

**Reaffirming** our resolve and commitment to the fundamental principles of the Treaty of Izmir and targets set forth in the ECO Vision-2025, as well as the guidance provided by ECO Heads of State/Governments in the Ashgabat Consensus for Action and our previously expressed assertions and iterations to enhance multifaceted cooperation for sustainable progress and economic development in the region;

**Commending** the Republic of Azerbaijan for effectively performing the ECO Chairmanship in 2023 under the vigorous yearly theme “*Green Transition and Interconnectivity*”;

**Welcoming** the ECO Chairmanship of the Islamic Republic of Iran in 2024 under an important regional theme “*Enhanced and Resilient ECO Region through Expansion of Intra-Regional Trade*”;

**Realizing** the importance of acceleration in trade and investment activities for boosting regional economic profile through productive measures, including removal of trade barriers in the region;

**Noting** the value of developing linkages for wider connectivity, including through all corridors under ECO Transit Transport Framework Agreement (TTFA) (May 9, 1998) , and their further improvement and expansion to be linked with other regions in Europe, Asia, and the Persian Gulf; **Highlighting** the importance of digitalized transport, customs and border crossing procedures for enhanced regional connectivity and importance of strengthening cooperation on the Digital Economy and the Fourth Industrial Revolution among the ECO Member States;

**Understanding** the importance of energy security and sustainability in special consideration of the prevailing energy crisis that warrants a balanced, just and mutually resorted approach to facilitate smooth, efficient and sustainable regional

energy transition with due consideration to different national circumstances, economic linkages and respective capabilities of the Member States;

**Realizing** the need to work collectively towards greater stability and security of energy supply and demand in the ECO Region and beyond; considering the critical role of enhanced cooperation among the Member States as well as among their private sectors in exploration, production and trade of energy resources in the Region;

**Recognizing** the need for regional oil and gas Markets for ECO Member States, increased energy productivity and efficiency, promoting joint investments and encouraging public and private companies to be involved, training and development of human resources of energy sector; **Acknowledging** the necessity of ECO to enhance cooperation on oil and gas sector and removal of trade barriers as relate to interconnection of oil and gas systems of the Member States and facilitating the regional energy trade;

**Stressing** the meaningfulness of North-South and South-South dialogue in imperative topics related to sustainable, just and climate resilient clean energy transition, including, but not limited to decarbonization, renewables, transitional fuels, energy efficiency, clean energy investments and technology transfer on preferential terms;

**Reaffirming** our joint commitment to the implementation of the UN Sustainable Development Goals (SDGs) for improvement and development of various sectors; **Welcoming** the outcomes of the recent SDG Summit as well as 2023 High-level Dialogue on Financing for Development held in New York during the High Level Week of the 78<sup>th</sup> Session of the UNGA;

**Recognizing** the need of enhanced cooperation amongst the Member States on issues emanating from natural disasters in particular reference to the recent devastating earthquakes in Türkiye and Afghanistan, as well as the catastrophic floods in Pakistan;

**Acknowledging** that agriculture, as a major driver of national and regional economies, plays an instrumental role in generating wealth and employment opportunities leading to the economic growth and sustainable and resilient development as well as collective welfare of our peoples;

**Underscoring** the significance of ECO Tourism Capitals for displaying the cultural and tourism potentials of the Member States, promotion of their tourism

destinations, enhancing the involvement of local communities and private sector in the region's tourism activities;

*Recognizing* the utmost importance of sustainable peace, stability in Afghanistan for regional development and prosperity; **Reiterating** our support to assist the process of reconstruction, development and socio-economic progress in Afghanistan, as set out in the ECO Advocacy Program for Afghanistan;

*Welcoming* the initiative of the Republic of Uzbekistan aimed at solving acute social problems in Afghanistan through an appropriate mechanism;

*Taking* into account that in the bilateral and regional context, ECO Member States are interested in cooperation with Afghanistan to strengthen peace and stability, through the further development of trade-economic and humanitarian ties as well as the implementation of regional and international economic projects in Afghanistan;

*Expressing* deep concerns over the transnational organized crimes and their impacts on regional economic development; *Reemphasizing* the need for early finalization of ECO relevant mechanisms on police, judicial and anti-corruption cooperation;

*Realizing* the need to enhance parliamentary dialogue and interaction under the umbrella of PAECO as an effective tool for helping secure ECO's socio-economic objectives; *Encouraging* the remaining Member States to sign/ratify the PAECO's Charter;

*Emphasizing* the need for augmenting scientific, industrial and technological cooperation amongst the Member States; *Underscoring* the contribution of ECO Specialized Agencies, Regional Institutions, Affiliated Bodies and Observers and their supportive role and activities for materializing multifaceted cooperation;

*Endorsing* the decisions and declarations made by all ECO Ministerial Meetings and other important high-level forums during 2023 and earlier, aimed at pursuing our mutual aims and objectives for greater economic integration in the region;

*Supporting* the normalization of inter-state relations between Azerbaijan and Armenia based on mutual recognition of/and respect for each other's sovereignty and territorial integrity and inviolability of state borders; *Believing* that this development will pave the way for sustainable peace, social welfare and economic prosperity in the Caucasus Region through establishment of good-neighborly relations;

## Have agreed to:

1. **Reconfirm** our commitment to implement Goals of ECO Vision 2025, including those related to enhancing cooperation in intra-regional connectivity, including trade, finance and investment, energy, tourism, food security, technology and innovation, protection of environment, disaster risk reduction capacity building, health, education and digitalization;
2. **Pursue** trade liberalization in the region by encouraging development of consensus, among interested Member States, through following the Implementation Framework envisioned in ECO Vision aimed at implementing ECOTA and expanding its coverage to a Free Trade Agreement (FTA) as specified in paragraph 6 of Ashgabat Consensus for Action and paragraph 3 of Tashkent Communiqué, aimed at, inter alia, improving trade facilitation by removing Non-Tariff Barriers (NTBs), including reduction in cost/time of regional trade transactions in line with the international obligations of the Member States;
3. **Appreciate** the Republic of Azerbaijan for hosting the 9<sup>th</sup> Meeting of the ECO Council of Heads of Customs Administration and the 8<sup>th</sup> Meeting of Customs Transit Committee of Transit Transport Coordination Council in Baku, July 2023; **Task** the Secretariat to provide assistance in the implementation of ECO trade-related agreements/frameworks and organize, on an urgent basis, 5<sup>th</sup> ECO Ministerial meeting on Commerce and Foreign Trade, 9<sup>th</sup> ECOTA Cooperation Council Meeting and other relevant events/meetings for ensuring smooth accomplishment of the targets for trade liberalization, trade facilitation and trade promotion to boost the regional trade profile, aimed at its enforcement and subsequent benefits from the unexplored trade and investment potentials of the ECO region;
