**Dear Participant,**

We kindly invite you to participate in this survey, designed to assess the level of awareness and implementation of the *ECO Regional Quality Policy* across ECO Member States.

Your valuable input will help the Economic Cooperation Organization (ECO) Secretariat to better understand current quality infrastructure challenges and identify areas for capacity building.

**The survey is brief (5 short questions) and will only take a minute of your time**, yet your responses will greatly contribute to the ongoing efforts to harmonize quality standards and enhance trade cooperation among Member States.

Thank you for your participation and support.
